Dom Flemons has built a reputation on presenting 100 years of American roots music, but now, with *Traveling Wildfire*, his own songwriting prowess comes into the spotlight. Carefully selected from his personal repertoire, these original songs reveal his love of country, western, blues, Americana, bluegrass and folk music as they tell of true love, family legacy, survival, time travel, and the juxtaposition between light and dark. *Traveling Wildfire* weaves through the themes of hope and humor as it rises above the hard times with strength and lightheartedness.
