Østerlide

Villfar Og Sylverklar

Cat-Ref.	TARE05CD
Barcode	7041886104331
Release date	04.12.2026
Label	Tare Records (LC-99999)
Style	World Music / Norwegen

In life, as in love, it's easy to lose your way through all the twists and turns. On Østerlide's third album, Villfar og Sylverklar, human lives unfold between mythical creatures with supernatural powers and the shifting moods - and occasional brutality - of nature.

Caught - by other creatures, beneath snow and ice, or by their own emotions.

In this world of medieval ballads and broadside songs, old melodies and stories become entwined with Østerlide's own sonic world: Brittle tones from the langeleik rise over shimmering bells; violin bows draw trembling, squealing sounds from stringed drums and electric guitar; and a wealth of ringing, crackling sounds from unlikely percussion instruments flicker through the air.

At the heart of it all are stories that have travelled down through the centuries. Their clear melodies and intricate ornaments wind their way through the soundscapes. We like to think they have found a home here, even though they come from another time - and will travel on into the future.

Band member

Andreas Haddeland	Guitar
Liv Ulvik	Vocals
Ulrik Ibsen Thorsrud	Drums

Tracklist

1.	Liti Kjersti	07:32
2.	Villfar og Sylverklar	07:22
3.	Stig Liten	06:39
4.	Rjupo	08:45
